\$1000 REWARD!

We offer this reward—and we mean what we say—for a single sack of flour manufactured by any mill in or out of Texas—in America—put up in a sack with a legitimate record like that printed upon our famous Peacemaker and Alliance Beauty bags, which reads: "Awarded first premium at Texas State Fair, 1887, 1888, 1889, 1890, 1891, 1892, 1893, 1896, and 1896. Also first premium at the great St. Louis Fair, 1895, 1896 and 1898; also sweepstakes premium for 1898." No other mill in the United States has made such a record.

As shown by the following letter, owing to the wonderful and unparalleled success at the Texas State Fair for the past ten years, we have been barred by that Association from further contests for premiums in our line. By this action on the part of the Fair Association, we are compelled to step "down and out" of the state contests. Notwithstanding, we will continue to manufacture the same line of superior goods and shall labor to keep them to the front:

Texas State Fair and Dallas Exposition Association, Dallas, Texas, May 7, 1897.

Alliance Milling Company, Denton, Texas:

GENTLEMEN—Replying to your favor of the 6th inst., making application for an exhibition of the product of your mill at our coming fair, beg to say we will be pleased to have you make the exhibit, but must say that we will be compelled to bar you from competition for the prizes we offer in that department. We trust that you appreciate this move on our part and feel certain that you will when we call your attention to the fact that you have won first premium in your department every year from 1887 to 1896, inclusive. Very Respectfully,
(Signed) SYDNEY SMITH,
Sec'y and Gen'l Mgr.
